## **WHO IS MINT PAYMENTS?**

Mint Payments is a PCI-DSS Compliant Payment Service Provider, meaning that Mint Payments always adheres to a set of security standards that were developed to protect card information during and after a financial transaction. Mint Payments provides the software and processing facilities to support this Hosted Payment Page.

## **PRIVACY POLICY**

### **SECURITY**

Sensitive customer data we collect is protected by several layers of encryption and security to prevent unauthorised access

### **WHAT INFORMATION DO WE COLLECT AND HOW DO WE USE IT?**

When you submit a payment using this Hosted Payment Page, we need to know your name, e-mail, and card details. We will not share this information except as necessary to allow us to process your payment.

Mint Payments maintains a record of your payment for the merchant's information.

Mint Payments' Hosted Payment Page does not use Cookies.

### **CREDIT CARD DETAILS**

All credit card payments are referred to your card issuer for approval through a secure gateway. Mint Payments does not store your full credit card number or your verification code (CVV) on our servers.

If we **change** our **Privacy Policy**, we will post those changes on this page so that you are always aware of what information we collect, how we use it, and under what circumstances we disclose it.
